If your hometown Mass Hockey Program has a Midget Team and you are going to play for them you must make sure that your hometown team is not a “National Bound Team”. Massachusetts/USA Hockey rules prohibit players to be on more than one “National Bound Team”. If a conflict is discovered, the player’s first commitment would be to his “Senators Team”.

All Mass. Tier I Midget Selects tryout participants should know that any team or organization that offers you a position on a Mass. Tier I Midget Selects roster must hold that position until the deadline of May 6, 2012, unless the participant declines the offer. You may accept or decline this position on or before the deadline. Any acceptance of a roster position before the deadline is non-binding and any deposits are refundable if you choose to play on another Mass Tier I team. Players are encouraged to tryout for multiple programs and make a final decision on or before the deadline.

The fee for those who play on one of our teams will be \$1150.00 which will include practices, league games, two local tournaments and the State Tournament for those teams that qualify. The fee is payable prior to our first game (in September). All players selected will also be required to sell 6 - \$25.00 Raffle Tickets as part of our fund raising efforts to keep our cost down.
